INTERIOR PLANTING

Inspirations

livingreen design

Fluted vase complement to Cirkik. Now available as a 1.5m tall feature vase and with removable hidden planting inserts for soil or hydro planting, and with optional irrigation or water meters to suit.

CYLIK

CLEOPATRA

Fluted vases and planters with a rough, earthen finish.
Specify textured for a smoother, rippled look or natural finishes for rustic stoneware.

CURVY S

Sculptural and elegant, planting is optional in the ultimate Curvy S and Double S. Make a statement with the monumental Curvy S XXL.

Modern and extremely versatile making each display unique.

NIGHT & DAY

EASTER
ISLAND

Ultra modern design inspired by the Moai statues. Each planter has an optional second planter or shelf which can be used to present brochures (reception areas), as a writing stand, a glass stand (for bars, hotels etc) or for lights, ornaments etc. Each planter also slots into the other for creating walls or special features.

LUNA

Perfect spheres, Sphere planters and two bowl options complete this fabulous range. Luna Half or Full can be specified as hanging baskets.

DUNE

Broad feature lips brighten foliage from below with reflected light. Beautiful in Pearlescent and Stardust.

PENTIK

A stunning reimagining of the classic Pentagon with unequal sides and tapers and featuring a ‘floating’ base. Available as tall planters, specimen and tree planters, barriers, stool, side table, low table and bowl.

POLYBAR

Striking and hugely versatile geometric shapes, use as upright planters, on their sides as barriers or on their backs as planters seats or water features.

Striking and hugely versatile geometric shapes, use as upright planters, on their sides as barriers or on their backs as planters seats or water features.

TOTEM

QUADIK PLUS

Be unconventional for longer. Tall with optional feature hot lip and planting insert.

Three sizes and a lip to finish the detail. Looks fantastic in the coloured leaf finishes.

MUSA

CURVY BRIDGET & MARILYN

Beautiful interlocking barriers that combine with Marilyn, Ursula and Sophia for funky features and stylish screening.

Two sides of the same coin. Use one of each for dual design elegance or singly as space saving features.

YING

Gently curved and slender creating large displays where space is limited.

FUSION

Created for spectacular specimen planting of every size. Compliments without overshadowing.

BLOB

HEXIK

An elegant tapered range in a modern hexagonal style.

LINIK

Ideal for cabinets tops, window sills and reception desks, complementing the rest of the spirit range.

CURVY
XTREME

Funky and fun; with an endless colour and finish range. This is the perfect choice for every modern space.

SOPHIA

Classically elegant and architectural. Repeat for impact.

A natural compliment to Sophia for features or walls.

URSULA

BRIDGET

Beautiful interlocking barriers that combine with Marilyn, Ursula and Sophia for funky features and stylish screening.

CURVY S BARRIER

A sinuous curvaceous screen or stand alone highlight.

MAXI FLARE HD

Personalise a wide selection of Livingreen planters with bespoke perforations in a variety of shapes. Takes design to a whole new level. Just send us your ideas or choose from one of our standard designs.

TOWER

The strong lines of the Tower range make it a favourite for paired planting and informal screening.

GRACE

Inspired by the works of the Modernists, Grace can be enjoyed as unique sculptural pieces in their own right or can be supplied with planter compartments (standard unless requested) at their apex.

Broad solid lips with a sunken centre, standing proud of the ground. Despite their size, Floats seem to hang in the air.

FLOAT

BILL

Our interpretation of the classic flowerpot. Features wide, straight sided rims.

BEN

Sharply modern with thick rims. Designed for feature plants up to 8m tall. Larger sizes on request.

STACK

Original layered geometric design on elegant tapered flutes.

FLIP

Reverse tapered flutes with feature raised base. Clean design for all types of planting.

BUBBLES

Bubble chains in 3 diameters; funky and fun.

Doubly curvaceous with perfect symmetry top to bottom. Great stability and a large planting area.

TIME

BARCELONA

MILAN

COPENHAGEN

PALMA

CUBE

Used everywhere and anywhere. Sometimes great design comes naturally and is impossible to beat.

ANTOINETTE

Fluted vases and planters with a rough, earthen finish.
Specify textured for a smoother, rippled look or natural finishes for rustic stoneware.

BEEVASE

The spectacular beehive vase.
All the beauty of the originals but in every colour and finish.

HANGING BASKET

Half sphere, round baskets and deeper flat base models for easy planting and longer watering period. Can be supplied with tanker irrigation and hole pre-cut in the sides if required. Available in any colour and suitable for interior and exterior use.

Create stunning snaking barriers, wrap around pillars or use as a stand alone feature. Highly flexible planter in 4 heights.
